DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/10/2008 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Allison Tulino on 6/18/2008.

The application has been amended as follows:

Claims 27 and 28 are canceled.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The closest reference, Wheeler et al., teach a method of authenticating a message that is purportedly sent from an account holder having a device that digitally signs messages using a unique private key (see abstract).

However, regarding claims 1 and 18, Wheeler et al. fail to teach the claimed features:

wherein a j th apparatus transmits a notification of a reception of n th electronic data to the receiving apparatus when the n th apparatus receives the n th electronic data from a $(j-1)$ th apparatus, j being between 1 to n ,

the receiving apparatus transmits a receiver authenticator to the j th apparatus, which authenticates the reception of the notification from the j th apparatus, and

the j th apparatus generates $(j+1)$ th electronic data which comprise the n th electronic data and the receiver authenticator with a signature of the n th apparatus assigned thereto.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
